

OUT OF BOUNDS WAIVER

LESSEE has requested to take or keep the rental boat out of our designated service area, therefore using or keeping the vessel outside of our standard boundaries. LESSEE agrees that since they will be outside of the regular service area, Anchors Away Boat Rentals, (the LESSOR), will not be available as they normally would be for assistance and/or towing. Therefore should LESSEE require a tow or assistance for any reason, including mechanical failure, they will be responsible for arranging the tow, and will be responsible for any costs related to that tow. As an alternative to paying out of pocket for a necessary tow in an area outside of our boundaries, Anchors Away Boat Rentals, (the LESSOR), requires the LESSEE purchase a BOATUS one year membership, which currently costs \$175 per year. This membership would cover the cost of any towing of the rental boat or any other vessel they are on during the one year time period. The BOATUS membership would need to be purchased 1 day ahead of the rental, since BOATUS requires 24 hours until the membership is active. A Seatow membership would also suffice.
